“It is virtually impossible to fully assess the role of Sigma Chi Fraternity as it has impacted my life”, said Brother Paul G. Rosenblatt- Beta Phi 1957 and 1963.

A native of Prescott Arizona, Brother Rosenblatt graduated from the University of Arizona College of Law in 1963 after an extended education in undergraduate and graduate work, with majors in engineering, chemistry, and English, at Seattle University, the University of Washington where he was initiated into Sigma Chi at the Upsilon Upsilon Chapter, and the University of Arizona.

Brother Rosenblatt was admitted to the State Bar of Arizona in 1963. He served as an Assistant Attorney General for the State of Arizona, and thereafter as the Administrative Assistant for the 3<sup>rd</sup> Congressional District of Arizona in Washington, D.C. He was a delegate to the 1970 White House Conference on Children. In 1971 he returned to private practice in Prescott, Arizona until his appointment in 1973 as Judge of the Superior Court for Yavapai County by Governor Jack Williams. He was the Presiding Judge, and the Juvenile Judge of that court. He was appointed by President Ronald Reagan to the United States District Court on June 11, 1984 where he continues to serve.

Brother Rosenblatt has served in a host of professional and public positions including the Board of Visitors to the University of Arizona College of Law. He is a former President of the Arizona Judges' Association, Judge of the Hopi Tribal Court of Appeals, and the Arizona Academy. He has also served as CLE faculty for the Arizona Supreme Court, as well as various judges' conferences and workshops, both state and federal, some under the auspices of the National College of Judiciary. Brother Rosenblatt has served as a faculty member in both ALI-ABA and AJS-SJI courses of study. He is a Past Chairman of the Grand Canyon Council of the Boy Scouts of America, a Past Member of the Yavapai Symphony Association Board, the University of Arizona Alumni Board, and the Yavapai Guidance Clinic Board.

Brother Rosenblatt was the Ninth Circuit's District Court Representative to the First National Conference on State-Federal Judicial Relations. He has served on the Planning Committee for the Western Regional Conference on State-Federal Judicial Relations and on the Ninth Circuit Education Committee.

Brother Rosenblatt is presently the Chair of the Arbitration Committee for the District of Arizona, and he is the Co-Chair of Arizona State-Federal Judicial Council. He also sits on the Court Security Committee and on the Technology Committee.

Both a Significant Sig and a Life Loyal Sigma Chi, Brother Rosenblatt said, “Sigma Chi Fraternity reinforced familial moral and ethical codes; the bonds of brotherhood and friendship served to nurture me and Sigma Chis everywhere. The inspiration provided by those seven young men who were so wise beyond their years, and who provided the standards by which we can all measure our lives, cannot be overstated. Certainly, in my life it has played a major role. From it came the friendships and the relationships, which are among the most important in my life, and upon which whatever I may have achieved is grounded. Sigma Chi Fraternity and the Beta Phi Chapter played an important role during a time when I was trying to decide the right path to take with my life, the path which would best satisfy my needs and desires. They provided a continuity that was critically important.

Election to the Beta Phi Hall of Honor by my Beta Phi brothers is most humbling and rewarding. It will always be a treasure to me”.
