## New House Fundraising

The Major Gift Campaign that began in September has resulted in slow but steady progress as \$800,000 of new pledges have been realized over the past six months. The Major Gift Phase of the campaign is expected to be concluded over the next 30 days with the anticipation that \$1,050,000 in new pledges will have been realized from our Major Gift funding efforts. The Campaign Steering Committee will be meeting in early June to finalize the fundraising strategy for the third quarter, which will be the final phase of the new house capital campaign. The Beta Phi Building Corporation board has approved additional architectural plan expenditures and preliminary discussions with several contractors will be pursued this summer. In addition, conversations with several Tucson banks regarding the availability and cost of construction financing have been undertaken.

In order to achieve our overall capital campaign funding goal of \$3.5 million the final phase of the capital campaign will need to involve the funding of \$850,000 of new pledges and donations over the next five months. As part of the campaign strategy discussions the Campaign Steering and Major Gift Committees will be reviewing the use of a matching gift program and a room gifting strategy in order to meet these goals. Our overall fundraising objective will be to conclude the New House Capital Campaign in early October before the Homecoming celebration.

We want to extend a thank you to all of the current campaign donors for their donations and patience. Moreover, we are very appreciative of those Brothers that have been directly involved with the capital campaign leadership efforts. The Beta Phi undergraduate performance has been impressive. Being the No. 1 ranked fraternity on the University of Arizona campus for the past three years has not been an easy task. Clearly, the undergraduates are deserving of our support and the importance of building a new Sigma Chi Fraternity house in order for the Beta Phi Chapter to retain its campus leadership position cannot be overemphasized.

# Consul's Report - Hunter Curtis

As the school year comes to an end we can look back at the success of the Beta Phi chapter. With our great alumni support, outstanding school relations, and quality undergraduate members great things are in our near future.

We recently initiated 12 new members putting our active membership to 117. This past year we won the Dean Robert Svob award for the third year in a row. This award is given to the top fraternity on campus. Along with the Svob award we were awarded for the highest active GPA for the fall 2011, Robin Winters was given the Chapter Advisor of the Year award, former Consul Jon Eastman received the Chapter President of the Year award, and Beta Phi was named the Outstanding Program of the Year for its first Beta Phi Leadership conference.

Our members are involved in many different areas at the university. We have four brothers in Chain Gang, a junior honorary, along with 10 brothers in Chimes, another junior honorary. Kevin Elliott served as an ASUA Senator for the year and recently, Jake Barman and Taylor Ashton were elected for the next year. In addition, Jackson Welch served as the president of the Mortar Board senior honorary and Kevin Cayton was a member of the Bobcats senior honorary. For the next year, Brothers Matt McLennan and I were selected to be Bobcats as well. We recently have two members selected as Ambassadors for the upcoming year, bringing the total number of brothers in this honorary up to seven.

This year we have been involved in many sorority philanthropies along with school sponsored events including, Up til Dawn and Catwalk. This spring we also hosted our third Derby Days orchestrated by Camron Vizcaino. We were able to raise more than \$21,000 for the Diamond Children's Center and the Steele Research Center. This summer, we are honored to send two brothers, Kevin Murney and Aaron Whitelock to Horizons, a week-long leadership program which is exclusive to Sigma Chi. This program has been requested by many fortune 500 companies for their own employees. The past year we have had 30 members in the mentorship program headed by alumni Terry Valeski and me. The program has continued to prove successful for our graduating seniors by helping them network and gain experience in the professional world. This year at the second annual Beta Phi Leadership Conference we will be having an alumni lunch. This is an amazing opportunity to get to meet and know the undergraduates as well as share insight to help them in the real world. Invitations will be sent out this summer and we look forward to having another successful conference.

On behalf of the Beta Phi chapter, I would like to thank our alumni for their support and contributions to our chapter. We look forward to another successful year.

*(Editor's note: Brother Curtis neglected to note that he also was selected as the UA's Greek Man of the Year.)*

The Beta Phi Chapter of Sigma Chi had another banner year.

During the 30th annual Greek Awards ceremony on April 3, the chapter walked off with virtually every award, including the third straight year of winning the Svob Award as the top fraternity on campus.

The award is named after Robert Svob, a Sigma Chi at the University of Arizona who graduated in 1942. Svob

served the university for almost 40 years, retiring in 1983 as dean of students.

The chapter was honored for having highest fraternity grade point average for fall 2011.

In addition, Robin Winters, UNLV '89, was named Fraternity Chapter Advisor of the Year, former Consul Jon Eastman received the Interfraternity Council's Chapter President of the Year Award and Consul Hunter Curtis was named Greek Man of the Year. The chapter also received the Chapter of Excellence certification from the UA's Greek Life.

Several Brothers have been inducted into the Order of Omega. The chapter's immediate past Sweetheart, Christine Clasby, president of Alpha Phi Sorority was named Sorority Chapter President of the Year.

Two Beta Phis also were selected to the Bobcats honorary. They were Consul Hunter Curtis and Brother Matt McLennan. They join 117 Beta Phi Sigs to become Bobcats since inception. A list Sigma Chi members in Bobcats can be found by clicking here . Among Sigma Chi's selected for Bobcats over the years were Donald C. Buckley, 1978; Marvin D. "Swede" Johnson, 1950; Phillip G. "Flip" May, 1980; S. Jack McDuff, 1951; Lisle Payne, 1964; Robert S. Svob, 1941; and Jack Redhair, 1958.

"We are very proud of these accomplishments," said Tucson Alumni Chapter President Steve Schuyler. "Once again, the successful showing as a testimonial to the strong leadership that anchors it. We should all reflect positively about these awards, be proud and look to the continued bright future ahead for the Beta Phi Chapter of Sigma Chi Fraternity."

Scott, a member of the Order of Constantine and a Beta Phi Hall of Honor, has long served Sigma Chi. He was chapter advisor of Beta Phi from 1986-89, president and treasurer during his term with the Sigma Chi Building Company from 1982-92.

*Robin Winters*

Scott will be replaced by Robin Winters, UNLV '89, who was the Beta Phi advisor since the chapter recolonized in 2007. The new chapter advisor will be Jim Donahue, a '78 graduate of Wyoming. Donahue's son, Jimmy, is Beta Phi's Pro Consul.

Tim Fontes, ASU '02 and a UA law school graduate, will assist Donahue on the chapter's Advisory Board. One more position will be filled on the board.

Congratulations to Brothers Scott, Winters, Donahue and Fontes for their appointments.

# Letter to Parents: Jim Donahue '78 - Chapter Advisor

We are pleased to report that a very successful Beta Phi Senior graduation celebration was attended by approximately 60 Sigs at the Old Pueblo Grill on May 2. At the official Senior Send-off the Brothers heard from members of the senior class of 2012 as they reminisced about their Beta Phi experiences at the University of Arizona and shared their favorite memories with Sigma Chi Alumni.

Alumni Chapter President Steve Schuyler presented each of the graduating senior with a special memento as part of the evening festivities. In addition, alumni Terry Valeski, who is the coordinator of the Undergraduate Mentoring program, was honored for being selected a Significant Sig, an award accorded only 1,500 Sigma Chis in its history. ## Excellent Academic Performance and Winner of the Top UA Fraternity in 2012

The Beta Phi Chapter of Sigma Chi finished No.1 in grade point average (3.07) for all of the Interfraternity Council fraternities in the spring term. "We are very proud of our academic accomplishments," said outgoing Beta Phi Consul Jon Eastman. "We have been recipients of the annual Svob Award (No.1 ranked fraternity on campus) for the past three years."

Schuyler also offered his congratulations to the scholarship chairman and to undergraduates for their continued academic excellence. In addition, for the past several years, the chapter has been awarded with the prestigious Peterson Significant Chapter award, which is the highest honor given by the International Fraternity. Moreover, newly elected Consul Hunter Curtis was named Greek Man of Year and former Consul Jon Eastman was the recipient of the Interfraternity Consul President of the year award at the Greek Awards ceremony in April. Beta Phi Matt McLennan, the president of the Order of the Omega, hosted the ceremony.

## Successful Chapter Initiation Ceremony, New Officer Elections and Annual Derby Days

Twelve Beta Phi spring pledges were initiated into the Sigma Chi Fraternity in April. A number of parents traveled to Tucson in order to participate in the activities. In the last week of April, the annual Beta Phi Derby Day weekend was successfully undertaken as over 400 participants from the 11 sororities competed in the various Derby Day events. Camron Vizcaino, the Derby Day manager indicated that the philanthropic monies raised from the event exceeded \$21,000 and that these funds would be presented to the Diamond Children's Medical Center and Steele Research Center in Tucson. In May the annual Chapter officer election was completed and Hunter Curtis and Buddy Cheek were elected as the new Consul and Pro Consul. Kevin Elliott and Brandon Roth were elected as Annotator and Magister. The Beta Phi membership totaled 118 members in the spring.

## Successful Mentoring Program Concluded for Seniors

As many of you are aware, the Tucson Sigma Chi Alumni Chapter has an active mentoring program for Beta Phi undergraduate juniors and seniors. Each of the participants in the program is assigned an alumni mentor and encouraged to participate in the mentoring program events during the school year. Career strategy discussions, resume composition activities and mock interview instruction are included in the program. The undergraduates are encouraged to participate in summer internship programs and to actively work with Sigma Chi alumni in pursuing these activities.

## New Fraternity House Capital Campaign Status

A number of parents of the undergraduates have requested information on the construction schedule of the new fraternity house and have now made donations to the capital campaign. We very much appreciate their participation as donors in the New House Capital Campaign and at this stage we anticipate that the capital campaign will be completed this fall. We are hopeful to start construction of the new fraternity house in the spring of 2013 and to have the house ready for occupancy in the fall of 2014.

# 50 Take Part in Hall of Honor Luncheon

*From left, Dennis Harmon, Lisle Payne, Luke Helms, Chuck Colton, UA athletic director Greg Byrne, Hunter Curtis, Jack McDuff, Terry Valeski and Paul Muscenti*

More than 50 Beta Phi Brothers attended the Hall of Honor luncheon on April 17 to hear UA athletic director Greg Byrne talk about the future of Wildcat sports at the La Hermosa Inn in Scottsdale. Byrne stressed the university's commitment to being the best athletic department in the state.

Attendees ranged from those who graduated in the 1940s to the 2000s, including former Grand Consul Jack McDuff.

New Beta Phi Consul Hunter Curtis and four other undergraduates also attended the luncheon. Curtis gave a round-down of the great success the chapter had this year, including the best chapter, best chapter president (Jon Eastman), the best chapter advisor (Robin Winters) and best grade point average.

The gathering is one of two Hall of Honor luncheons to be held each year in the Phoenix area.

## Chapter Eternal

William E. "Bill" Kimble, Beta Phi '51, a longtime Tucson attorney and former partner with Earl Carroll, a member of the Beta Phi Hall of Honor, entered the Chapter Eternal on April 6, 2012 at his home. He was 85.

Kimble was a graduate of Tucson High School, served in the U.S. Navy from 1944-46 and returned to Tucson to earn his law degree from the UA. After graduation he spent a short period with the FBI before opening a law practice in Bisbee. He served as a Cochise County Superior Court judge until 1962.

In 1964 he ran as a Republican against freshman Democratic congressman Morris K. Udall, but lost the race. Later he and Udall, also a Beta Phi, became fast friends. Kimble served as the co-chair for Udall's re-election campaign in 1982. He retired in 1991 after a career that saw he try more than 500 jury cases. He also taught at the UA law school for more than 20 years.

He and his wife, Jean, who survives him, were parents of seven boys. All honor to his name.

On April 3, 2012 Brian Charles Garrison (Beta Phi 99) entered the Chapter Eternal.

In 1996 Brian enlisted in the US Marines, where he was stationed at Camp Pendleton, serving in Company A, First Battalion, Fifth Marine Regiment. He received the Navy and Marine Corps Achievement Medal and Meritorious Mast for superior performance of duty while serving as a small boat coxswain.

Following his military service, his interests led him to the audio/visual and electronics/computer technology field. At the time of his death, Brian was employed by CCS Presentation Systems, where he was head installer in the Tucson area.

Brian is survived by his mother and father, Carol B. and C. Scott Garrison; brother, Richard B. Garrison (Beta Phi 93) and sister, Amanda B. Garrison. He is preceded in entering the Chapter Eternal by his grandfather, Richard B. Bennett (Alpha Lambda 49), great grandfather Richard Heber Bennett Jr. (Emory, 1920) and great great grandfather Richard Heber Bennett (Randolph-Macon College 1883). All honor to his name.
